

With Articulate Online you'll never need an expensive corporate learning management system, and you'll never worry about frustrating and unnecessary complexity.

Clear, insightful reports

Choose from a variety of gorgeous on-screen reports. Articulate Online's well-constructed reports provide exactly the data you're looking for with no unnecessary clutter or frills. Even create your own [custom reports](http://www.articulate.com/blog/announcing-articulate-online-custom-reports/) (<http://www.articulate.com/blog/announcing-articulate-online-custom-reports/>) and save reporting templates for future use.

See individual answers

Learn how individuals answered on a quiz or survey with easy-to-read question-and-answer reports.

1. One of the main systems the CSR uses at Comstar is COMS. What is COMS an acronym for? *(Multiple Choice - 10 Points)*

	Correct Response	User Response
Customer Online Migration Solution		
Comstar Order Management System		
CSR Operations Marketing and Sales		
Comstar Order Mainframe Server		

Discover group trends

Identify group trends and other valuable insights with aggregated quiz and survey response reports.

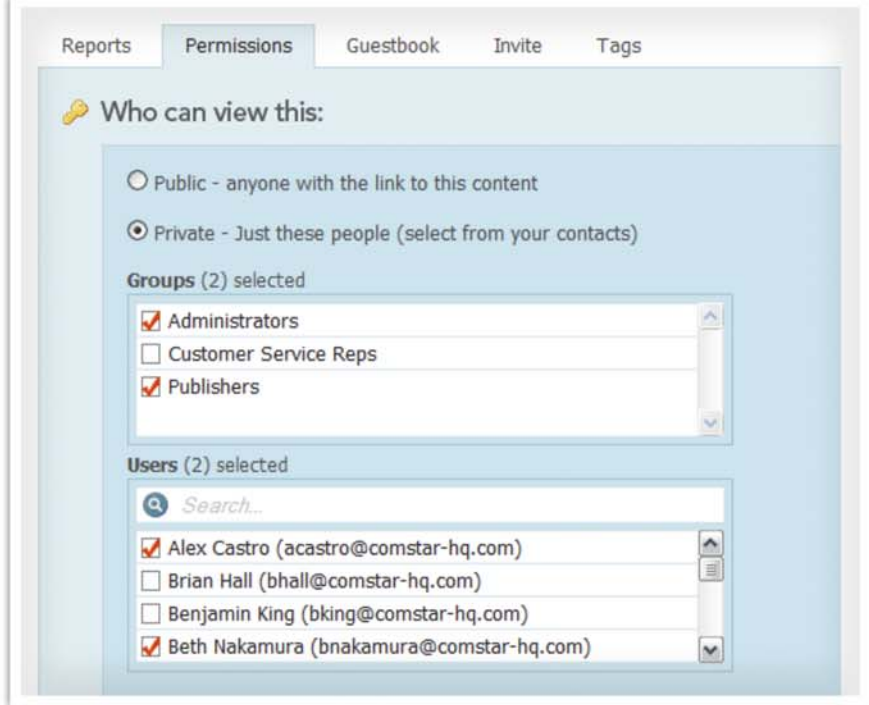

4. Which feature of COMS allows you to initiate common tasks such as creating new orders and viewing reports? *(Multiple Choice - 10 Points)*

Answer	Percent	Total
 Task Panel	 62%	16
Summary Panel	 15%	4
Home Screen	 12%	3
Toolbar	 12%	3

Total Responses: 26

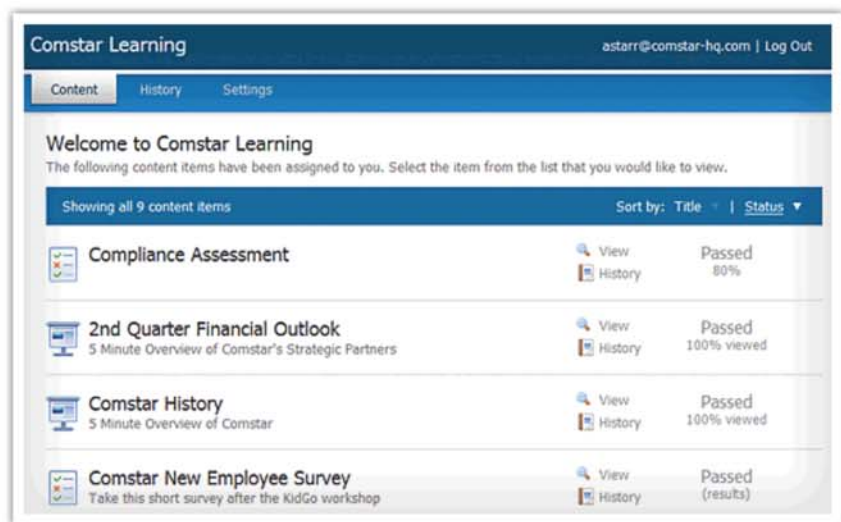

Control access

Control access to each content item by making it publicly available, or by limiting access to specific users and groups of your choice.

Custom portal for users

Provide a custom portal to your users displaying just the content assigned to them. You can also (optionally) allow users to view their personal history and run their own activity reports.

Many ways to share content

Choose from multiple methods to share content with your viewers, such as simple copy-and-paste link (URL) generation, e-mail invitations that are created with a couple of easy clicks, or a graphical launch button for your web page produced with our online interface.

Reports Permissions Guestbook **Invite** Tags

 **Link directly to this content:**
Copy this link and share it with people so they can view this.

Link:

 **E-mail invitations to view this content:** [CREATE INVITATION](#)
Send an e-mail inviting people to view this presentation.

 **Create launch button for your web page:** [CREATE LAUNCH BUTTON](#)
Insert the HTML created into your web page.

Collect data from viewers

Collect detailed information from your viewers with required or optional included fields, plus create unlimited custom fields to request information uniquely important to your organization.

Manage content easily

Easily manage your content items by sorting items by popularity, titles, and number of views, or simply filter items with keyword tags.

Showing all 9 content items		Sort by: <u>Title</u> ▲ Date ▼ Views	
	Call Handling Training October 23, 2006	 View  Manage	329 views
	Comstar History December 9, 2006	 View  Manage	2184 views
	Comstar Employee Survey October 11, 2006	 View  Manage	792 views
	Human Resources Benefits October 11, 2006	 View  Manage	890 views
	Intro to Customer Service November 23, 2006	 View  Manage	3897 views
	Orientation Final Quiz December 1, 2006	 View  Manage	751 views

Tags for intuitive organization

Label and categorize your content with easily accessible keywords. Tags make it simple to manage your entire library of content items.

Reports Permissions Guestbook Invite **Tags**

 Describe this content with tags

Enter tags separated by commas like: **sales training, products, something**

[Hide tags from my other items](#)

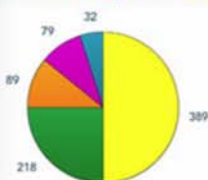

Available tags:

-  compliance
-  history
-  presentations
-  sales reps
-  **comstar**
-  management
-  products
-  strategy

Summary of recent activity

The home page gives you a quick dashboard view, including most popular content and most active viewers.

One-click publishing

Quickly and easily publish your presentations, e-learning courses, quizzes, and surveys to Articulate Online directly from Articulate Storyline, Articulate Presenter, Engage, and Quizmaker.

The screenshot shows the 'PRESENTER 13' publishing interface. On the left is a navigation pane with icons for WEB, ARTICULATE ONLINE (selected), LMS, CD, and WORD. The main area is titled 'ARTICULATE ONLINE' and 'PUBLISH YOUR PRESENTATION FOR ARTICULATE ONLINE DELIVERY'. It contains several sections: 'Title and Description' with fields for Title (Effective Reviews) and Description; 'Publishing for HTML5 and mobile devices' with checked options for 'Include HTML5 output', 'Use Articulate Mobile Player on iPad', and 'Allow downloading for offline viewing'; 'Properties' with fields for Player (Studio 13 Player), Quality (Optimized for standard delivery), Presenter (none selected), and Tracking (Slides viewed (15 of 15)); and 'Account Information' with fields for Account URL (http://constar.learnercentral.com), E-mail (mike@constar.com), and Password (masked), with a 'Save my password' checkbox. At the bottom are 'Publish' and 'Cancel' buttons.
